ABOUT VISAT

Vijnan Institute of Science and Technology (VISAT)

Affiliated to the APJ Abdul Kalam Technological University, Thiruvananthapuram and approved by the All India Council for Technical Education (AICTE), New Delhi, VISAT is an educational venture of the Vijnan Foundation. This institution was established in 2011 and the campus is located in the scenic parts of the district, along the Western Ghats, offering spectacular views of the mighty hill ranges. At Vijnan, we are focused towards delivering excellent standards of education by implementing innovative teaching methodologies, imparted by an esteemed and highly experienced faculty. We cover all basic disciplines of engineering including Civil, Mechanical, Electrical, Electronics and Computer Science through the courses offered for undergraduate programs.

CHAIRMAN'S MESSAGE

Sri. Raju Kurian
Chairman

VISAT and UNISIS Group of Companies

I am honored to represent VISAT in any capacity and state proudly that this is an institution that values people and ethics over anything else. We look forward to nurturing kind and good citizens of the future who will be delighted to give back to the society and utilize the talents and knowledge that they gain from this institution for the very best of the people and society. For many years now, VISAT has stayed true to its original mission and produced a large number of high quality professionals who have established their strong presence in the industry and have already started contributing to the growth of different organizations.
